Villa Iseo, villa with private pool and sea views in the Residential Resort Cumbre del Sol, in Benitachell, on the Costa Blanca North, between Alicante and Valencia city.□□

A modern design and an elegant and bright layout are the keys to this villa with 3 bedrooms, all with en-suite bathrooms, with the master bedroom also having a large dressing room. The ground floor of this property allows us to extend it to 4 bedrooms.□□

The main floor is characterised by open-plan spaces, where the kitchen and living-dining room are joined together and open onto the main terrace with a beautiful private infinity pool and the porch.□□

Its layout and design have been conceived to make the most of the sea views, both from the bedrooms and from the living-dining room. At the same time, special attention has been paid to privacy, incorporating a vertical wall that not only provides privacy to the main terrace, but also stands out as a decorative element.□□

A comfortable and sustainable villa, with underfloor heating through aerothermal heating, fireplace, installation of a self-consumption photovoltaic system, pre-installation of the necessary plug for charging electric cars, selection of materials that provide quality and warmth to the house.□□

Living, working, experiencing and enjoying the Mediterranean is possible in Villa Iseo in Cumbre del Sol.□□
