Are you looking for a spacious single-storey, modern Spanish-style villa for sale in Moraira? We present you this lovely property located in the quiet Verde Pino area of Moraira. The property has been completely refurbished over the past two years and equipped with all modern conveniences. Through a beautiful entrance, we enter a hallway that leads us to both the living room and the bedrooms. The spacious living room with open kitchen is connected by large windows to the pool terrace and offers stunning wide views and very beautiful sunsets. The cosy living room, incidentally with a cosy gas fireplace, is connected via French doors to the naya (the covered veranda), which currently houses a large 6-seater dining table and is connected via 3 steps to the pool terrace. The naya also provides access to a separate room, which is used as a storage/utility room and also houses, for example, the washing machine, dryer and wine cooler. ☐☐
