Apartment 40D in the iconic Intempo building offers a unique experience thanks to abundant natural light, stunning views, and generous space. These apartments stand out for their unparalleled brightness and unbeatable panoramas.

The design prioritizes enjoyment of its exceptional features. Almost every room has access to the terrace, where one can bask in the light, serenity, and incomparable views that make this experience truly unique.

Inside, you'll find top-quality specifications alongside premium appliances. Spacious layouts with open-plan design and integrated smart technology ensure a luxurious living experience.

The apartments feature a large bedroom, walk-in closet, bathroom with underfloor heating, kitchen, and dining area equipped with the latest standards and high-quality materials. Floor-to-ceiling windows merge the interior with the surrounding landscape, providing natural light throughout the space and terrace access from every room.

Located in the majestic Intempo building, Spain's tallest residential skyscraper and one of the tallest in the European Union, it stands out for its exclusivity. The golden façade and impressive diamond at the top enhance its splendor, harmonizing with the beauty of Benidorm.

Apartment 40D is offered at a price of 1,085,000 euros, with 3 bedrooms, 3 bathrooms, and an area of 175.26 square meters, plus two parking spaces and a storage room.

On floors 46 and 47, there is a spacious communal area designed for relaxation and exercise, featuring a gym equipped with state-of-the-art Technogym technology, a luxurious spa, massage rooms, and a sauna, all with panoramic views of the Mediterranean Sea and Poniente Beach.

At the top of Intempo, on the 47th floor, there are 4 jacuzzis and an exclusive bar with a magnificent terrace, for the enjoyment of all residents. This place offers the unique opportunity to enjoy a drink while contemplating Europe's most spectacular sunset.

Intempo apartments offer a wide range of exclusive services to ensure an unparalleled living experience, including swimming pools for cooling off, a gym with cutting-edge technology, luxury spa, sea-view jacuzzis, and more. Additionally, optional services such as apartment cleaning and preparation, room service, rental management, maintenance and
