Modern sea view villa for sale in Denia, Montgo

A unique opportunity to buy a modern villa with sea views for less than 1 million euros. Located on a sloping plot on the Denia side of the Montgo. The villa offers luxury and comfort and stunning panoramic views towards the azure Mediterranean Sea.

The villa consists of 2 floors and has a generous lounge, dining room, fully equipped kitchen, 3 bedrooms, 2 bathrooms and a guest toilet. There is also storage and a laundry room. From almost every room you can enjoy the impressive views: green hills, the castle of Denia and, of course, the sea.

Plus point is the finished multi-purpose room of just over 100 m². The future owner can configure it as he wishes: cinema, gym, office, guest house, etc.

The large windows allow plenty of natural light in, creating a pleasant living atmosphere. The villa has underfloor heating, double glazing, air conditioning, home automation, automatic shutters and a double garage.

Outside is the heated swimming pool with the lovely sun terrace where you can enjoy the beautiful views. The Mediterranean garden completes the picture.
