Are you looking for practical and new accommodation in the authentic center of Moraira? Then this is your chance to choose between two or three-bedroom apartments.

The materials used are of high quality and ensure easy maintenance. There are also parking spaces available, with or without storage, in the same building to accommodate your vehicle or store goods.

The first floor is suitable for shops or offices. Two-bedroom apartments are available on the first floor. On the second floor, there are only three-bedroom apartments. On the top floor, you can choose between two or three-bedroom apartments, with two of them featuring a terrace.

There are too many possibilities and qualities to cover in a brief description. If you are interested, please make an appointment with us without obligation.
