The villa is accessed via an entrance pavilion that offers panoramic views of the entire environment. Descending to the first level, you'll find the master bedroom, complete with a walk-in closet, en-suite bathroom, and private terrace - a secluded suite providing ultimate privacy and intimacy.

Continuing down, the next platform hosts the rest of the bedrooms. There are three spacious bedrooms in total, each with an en-suite bathroom and private terrace.

The third level is dedicated to the daytime living areas. There are two distinct spaces: one for the living-dining area and another for the kitchen. These can be joined by sliding doors, creating a large, open-plan space that connects directly to the outdoors through four large sliding glass panels. This fluid indoor-outdoor space allows you to enjoy the fresh air and stunning views with ease.

Finally, the basement level houses a large entertainment area, complete with a game room, TV lounge, bar, and a gym. Both rooms are filled with natural light that filters in through openings in the pool above, casting a shimmering glow from the water.

This villa is finished with exceptional materials that add warmth and further enhance its dialogue with the natural environment.
