Spacious apartment located in a privileged area of Javea with access to all your necessary services on foot without having to take a vehicle.

This wonderful apartment is one of those that no longer remain... an apartment with a lot of space and ample, very large rooms with the capacity to have the space that each person needs.

Very large kitchen to be able to cook several together with a pantry to store food and a patio to be able to dry clothes and clean them.

The living / dining room is composed of about 65m<sup>2</sup> and has direct access to the terrace.

The terrace is very large as it could not be less, it has views of the beautiful Avenida de Asturias and one of the most beautiful squares in the town.

The apartment is fantastic with great opportunity to improve and update it.

It does not have parking, but there is parking near the apartment.
