Complex of four homes of different dimensions in Las Rotas, a few minutes walk from the beach and a one-way entrance so it is very quiet. It is a land of 1877 m² with the four buildings that together have 314 m² built, they have common areas with barbecues and outdoor tables but each of the properties has its own terrace with its own privacy space. They are all rented and produce a high profitability, there are two of them that are larger and are rented for a higher amount. They have two independent entrances with sliding doors, and a large common parking lot with space for several vehicles.

This complex is very attractive for investment since there are four homes that are rented easily and for a high rent.
