Just a few meters from La Almadraba beach in El Verger, and a few kilometers from Denia. This project features 51 homes with 1, 2, and 3 bedrooms. The main feature of the project will be their large terraces. With regular proportions, they are the ideal spaces for outdoor living. The integration of the living room with these spacious terraces will unite your home as a livable volume where the interior merges with the exterior. The common areas embody a deeply natural spirit. As you walk through different areas, you'll find ideal spaces for strolling, engaging in sports activities, and, above all, using bicycles.
