Finca for sale, has been a successful restaurant, previously a 3 bedroom family home, Jalón. The current layout is perfect to carry on a restaurant business but, as the structure has not been changed, it would be easy to convert back to a 3 bedroom, family home. Location- Prime location, close to all amenities, community swimming pool, bars and restaurants. Area is very popular with holiday makers, walkers and cyclists. Large plot with outside dining terrace, space to create gardens and a swimming pool. Must view to appreciate the possibilities.
