

Property type : Townhouse

Swimming pool : No

House area :

300 m²

Location : Benissa

Bedrooms : 7

Bathrooms : 2

Beautiful townhouse in the center of Benissa.

The townhouse is divided into three floors with at street level commercial premises of 80m².

Entering via an independent door from the street with a totally private interior patio, which gives way to two independent homes and on this floor is a living room with fireplace and air conditioning, kitchen and with direct access to another patio of 80 mtrs with storage room, two bedrooms and a complete bathroom.

On the first floor, we access the second independent house, two double and spacious bedrooms, living room with fireplace, bathroom and semicovered terrace of 30 mtrs.

On this same floor, on the east side of the house, we find two other double bedrooms, with spacious living rooms, this part retains original floors from the beginning of the last century, high ceilings and wooden beams.

Finally, the third floor, which needs fully renovation is about 120 meters of space divided into several rooms, has cement beams, with a gabled roof with beautiful high ceilings of 5m. There is also another terrace of 20m².
