Each home has a large terrace, a circular view of all the best of Calpe: Arenal beach, Fossa beach, Las Salinas lagoon, and of course the Peñón de Ifach.  
Every morning, every afternoon, ... living integrated into the sky of Calpe... Only a plot of land for school use separates you from Las Salinas.  
It has a swimming pool, paddle tennis, gym, calisthenics area and children's games in spacious common areas.  
And its exceptional aesthetics shines from an axis, a trunk, with ceramic cladding in white and gold, marble textures. From which sprout, like leaves, terraces enamelled in a striking luminous and brave gold.
