Frontline villa in Les Bassetes with spectacular sea views and direct access to the path to the beach. Truly one of the most exclusive places to buy a house on the Costa Blanca.

Extraordinary villa on the seafront for sale on the Calpe Coast, just a few metres from Cala Basetes. This is a Mediterranean-style villa with a lot of privacy and intimacy, located in a privileged setting. The panoramic views from each bedroom of the house over the bay, the Basetes Marina and Peñon Ifach are unique. Also worth mentioning is the direct access from the house to the ecological promenade along the sea. The house has maximum privacy. The double plot allows you to enjoy a large terrace facing the sea.
